STUDY & WORSHIP: The Value of Practical Wisdom

*An “ongoing” discussion about Solomon
with Pat Grant.*

Stand up and stretch and meet someone you don’t know.

Pat welcomes us back.

~ ~

*Praise God from whom all blessings flow.
How has He blessed you this week?*

~ ~

*Praise Him thru music and giving back to Him a
portion of our financial blessings.*

~ ~

*Pat continues teaching about what we can learn
from Solomon about his successes and failures.*

GOOD TO KNOW:

- Mark & Jessica Ammons’ daughter Mollie and her friend Brianna Benedict are getting **baptized this Sabbath** at WWU’s Biology Station at 5 pm. There will be a sunset worship program after the baptism with a fire by the water. Plan to join and worship with them. Bring a folding chair, hot dog buns and chips. What a blessing that they have decided to accept Jesus Christ as their personal Savior.
- Saturday, August 29 is the **“Ready To Learn Fair”** here in the commons. We are giving our assistance to those Anacortes families who could use help with back-to-school supplies for grades K-8. Therefore we will **not be having worship** as usual here that day.
- Saturday night, August 29 will be the **“First Annual Movie on the Wall”**. Plan to come to the Farnsworth’s at 6 pm for great food, fellowship, sundown worship, and then time to snuggle up and enjoy an outdoor movie.
- Normally we have potluck the 1st & 3rd Sabbath of each month, however September 5 is Labor Day weekend so there will be **no potluck that Sabbath** in honor of all those who have “labored” providing us with our great potlucks. We will be having a spectacular potluck on the 3rd Sabbath, September 19 in conjunction with our One Year Celebration. Plan for that!

TOPIC: Is it true that “man who doesn’t learn from history is doomed to repeat it?” Could we learn something from the richest and smartest man known in history?

A “give & take” conversation with Pat Grant.

Break - shake hands with someone you haven’t met yet.

Pat welcomes us back.

~ ~

*Have you had a wonderful week? How did that come
to be? And did you or someone you know have some
difficult times? Let’s talk & pray about both.*

~ ~

*Now let’s celebrate with music and
help defray the expenses.*

~ ~

*Pat has some further thoughts about what we can learn
from history from a pretty smart fella.*

~ ~

*Please join us with a short walk up the hill to the
swimming pool and celebrate Doris’ decision to visibly
show how important Jesus is in her life.*

~ ~

*How about some icing on the cake! Join us for a
delectable lunch. We’ll have a great conversation over
some wonderful food - we promise!*

GOOD TO KNOW:

- SAS is gearing up for another school year. That means a **work bee** this Sunday, August 16 from 9 am to 4 pm. Please help in anyway that you can. A super lunch will be provided.
